

Invitation to young people in grades 3 and up

Anyone who has received his or her First Communion is invited to participate in the altar server ministry. This is a wonderful way to participate in the Mass and learn more about your faith. Servers are needed at all of Our Lady of Fatima parish masses. If you are interested in serving our priests, our parish and our Lord as an altar server, please complete the bottom portion of this paper and return it to the office by October 13, 2009.

Please come to our training meeting on Sunday, October 18, 2009, at 1 pm in the OLF Church.
